Roger Gubbins was welcomed to the meeting as a member of the public

1. Andy reported that £550 had been received from High Street Heroes to be used for the planting up of the area, and also for painting the Church hall. Andy had spoken to the Vicar regarding permission to repaint the hall. It was suggested that perhaps local children could help with this.

Plants could be purchased from Homeleigh Garden Centre and paint to be obtained from Tinhay.

2. The latest report from the Council regarding the road alterations at the junction of the B3254 and Duke Street is that Oliver is still working on the design for this junction.

3. The roadsweeper has been around St Stephens and it has been tidied up from the Catholic church to Underhayes Lane.

The working party would start as soon as possible to clear the local area and Andy can get rid of cuttings etc on Terry Graves land.

4. Sam is still working on the Neighbourhood Watch scheme. Andy has spoken to the local Police officer who will be getting back to us in due course

5. Bryony said that she was not going to continue with the Coffee morning on the first Thursday of each month due to declining attendance (there were only two people at the last one). Andy suggested putting the sign for the coffee morning on the green to advertise the event. (addendum : following the latest committee meeting this will continue and be run by Ann Boudy).

6. Roger Gubbins agreed to come to the Church Hall to give his opinion what preparation was needed prior to painting the hall. A working party would be arranged to paint the hall.
